Sniffers Plant Hire operates within the Civil Construction Industry is committed to the delivery of Construction activities that are fit for the intended purpose and in line with Client product expectations.

Top Management recognises that the continual success of Sniffers Plant Hire is reliant upon the delivery of a product that is constructed in accordance with the agreed design and without any contingent legacies.

Top Management demonstrate this commitment by:

- Establishing Quality Objectives and Targets in alignment with industry best practice and Sniffers Plant Hire learnings from the Internal Continual Improvement process. Objectives and Targets are set at relevant functions within the Organisation and monitored and reviewed by Management;
- Complying with all relevant Statutory duties, Codes, Standards and Contractual requirements;
- Aligning Company processes with ISO 9001 criteria;
- Ensuring that Workers at all levels of the Organisation maintain a focus on Quality;
- Monitoring outputs throughout the duration of the Construction process for alignment with the endorsed Quality process;
- Promoting Quality as the fundamental responsibility of every Worker at all levels of the business.

Sniffers Plant Hire recognises that quality in the design and delivery of our projects is an individual and shared responsibility of all parties involved.
